What happens next?

One of our experienced Wedding Co-ordinators will help you plan your wedding day at Inglewood Manor from beginning to end. Once you have viewed the property and decided on a date, this date can be held for up to two weeks with no obligation.

A non – refundable deposit will be required to confirm the date and you will be sent two contracts along with our terms and conditions. The contract will contain a suggested structure for your day, this will be a working document which will be updated throughout the planning for your wedding celebrations.

Once you have made a provisional booking, if you choose to marry in one of our rooms, it will be necessary for you to contact the local registry office who will advise you of the formal arrangements required for your ceremony. A fee will be payable for the services of the registration staff and this is made directly to them prior to the ceremony. The registry office will be able to advise you of all the specific details. Please note it is your responsibility for booking the registrar directly.

When you have signed and returned your contract, your wedding has started. As your day approaches we will assist with the selection of menus, drinks and advise on all these important touches to make your day run smoothly. We understand most of the details are ready to be finalised two months prior to your wedding day, however your Wedding Co-ordinator will be available for any queries or questions you may have or assistance you may require at any point. How little or how often this is, is entirely down to you. All prices include VAT at 20% and are correct at the time of going to print and may be subject to change.
